

# A Peek Into Packing

## CAMP MATOAKA STYLE

Here at Matoaka, we make it very easy, so your daughter's transition to camp is quite breezy.

Once we receive your daughter's duffle, we're busy like bees doing the Unpack Shuffle!

Our trained counselors unpack and fold, and organize clothes in drawers by sporty, warm, or cold.

By following the guidelines inside, you will help our counselors do their job with pride!

# Let's Visualize it...

Your daughter will have four drawers under her bed (the beds are hand-made at Matoaka!) and a shelf next to her bed. The drawers are NOT tall, so if you have purchased bins to put into the drawers to keep batteries, stationary, etc., make sure they are no more than **3 inches high**. Bottom drawers are a little taller, and those generally fit the sweatshirts and long pants or the bigger clothing items. The towels, extra bedding, and toiletries are stored in the bathroom. Every camper has a designated space in the bathroom where her towels and personal items will stay.

# What to do to Get Ready?

Where do you start? Your camper's items/clothes might be laid out on your treadmill, dining table, or spare bed just waiting for the day you decide to put them all in the bags. We have helpful tips for packing your new camper!

# Don't Forget the Little Things

- Include a little present/note for your daughter to receive upon her arrival to camp (we will leave it on her bed)!
- Send your daughter to camp with a flexible file folder full of pre-addressed envelopes... family, friends, etc.
- Pack pictures of your family, a small photo album or small poster (she can hang these next to her bed to personalize her area).
- All campers should wear their Matoaka Ready shirt on arrival day - Please don't pack it in the duffle bag!
- Don't worry, all of her things will fit! And if they don't - you packed too much!
